

At the conclusion of the 2017-2018 school year, participating school district administrators and students were invited to complete short surveys to help secure valuable insights into how the 1Million Project Foundation is impacting students' ability to achieve their full potential. The results are quite encouraging! And also instructive. The feedback received will help the 1Million Project Foundation team continue to improve the program and focus attention on addressing some common themes that resonated in the comments received.

Student Results

84%

say it's **easier for them** to complete more of their homework in a **comfortable, convenient, and safe place**

74%

say they're **more willing** to work hard to **graduate from high school**

68%
